

## Todwick Primary School Poetry

*During the school year we aim for all children to be able to recite a number of well-known and inspiring poems. Children have an opportunity to perform their poems to an audience during the year.*

*These poems are ones that are to be taught in the specific year group as they have been selected making links with topics and Todwick's Core Reading lists. Children will be taught additional poems during English lessons, reading comprehension, writing sessions and daily book time.*

Year Group	Autumn	Spring	Summer	Poetry Books
