Todwick Primary School Accessibility Plan November 2024

Aims

Todwick Primary School is an inclusive school and our values reflect our commitment to a school where there are high expectations for everyone.

We aim to treat all pupils fairly and with respect, and this involves providing access and opportunities for all pupils without discrimination of any kind. Everyone in our school is important and included. Children are provided with high quality learning opportunities so that each child attains and achieves all that they are able to.

We promote an ethos of care and trust where every member of our school community feels that they truly belong and are valued.

Legislation and guidance

This document meets the requirements of schedule 10 of the Equality Act 2010 and the Department for Education (DfE) guidance for schools on the Equality Act 2010. The Equality Act 2010 defines an individual as disabled if he or she has a physical or mental impairment that has a 'substantial' and 'long-term' adverse effect on his or her ability to undertake normal day to day activities.

Under the Special Educational Needs and Disability (SEND) Code of Practice, 'long-term' is defined as 'a year or more' and 'substantial' is defined as 'more than minor or trivial'. The definition includes sensory impairments such as those affecting sight or hearing, and longterm health conditions such as asthma, diabetes, epilepsy and cancer. Schools are required to make 'reasonable adjustments' for pupils with disabilities under the Equality Act 2010, to alleviate any substantial disadvantage that a disabled pupil faces in comparison with non-disabled pupils. This can include, for example, the provision of an auxiliary aid or adjustments to premises. Schools are required under the Equality Act 2010 to have an accessibility plan.

The Todwick Primary School Accessibility Plan will:

- 1. Increase the extent to which disabled pupils can participate in the curriculum
- 2. Improve the physical environment of the school to enable disabled pupils to take better advantage of education, benefits, facilities and services provided.
- 3. Improve the availability of accessible information to disabled pupils

The Albion Accessibility Plan should be read in conjunction with the following school policies:

- SEND policy and information report
- Behaviour policy
- School improvement plan
- Health and Safety
- Administering medicine policy

The Todwick Primary School building is fully DDA compliant and in line with building regulations at 2017.
