Core Reading Lists

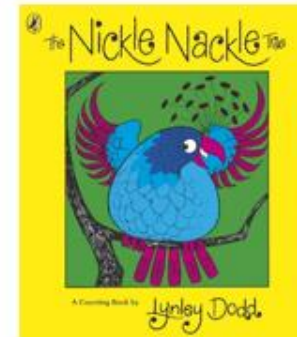

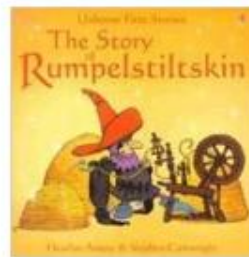

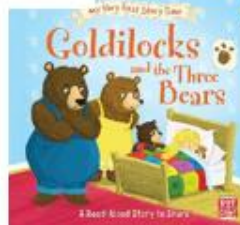

Our core reading lists reflect our commitment to providing our children with a broad and balanced curriculum. They mirror our ethos and aim to act as mirrors and windows for children to see themselves but also the lives of others that may be different to their own.

Our reading lists celebrates 'old and gold' as well as the 'new and bold'. It is frequently updated and reviewed in order to ensure that it continues to meet the needs of our school community.

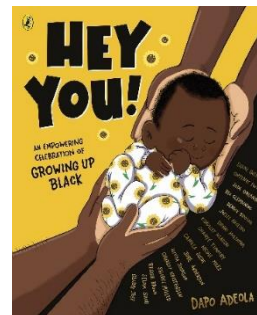

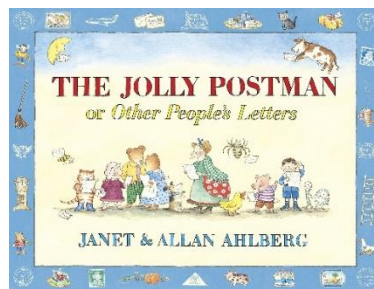

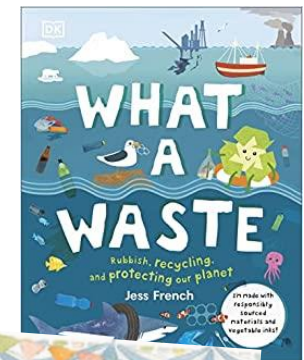

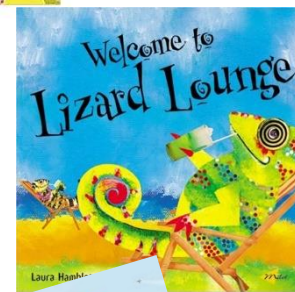

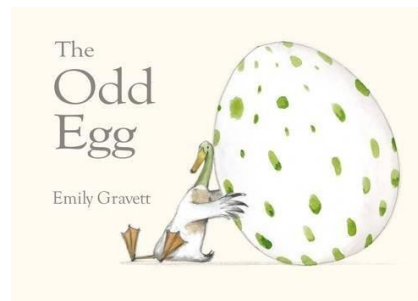

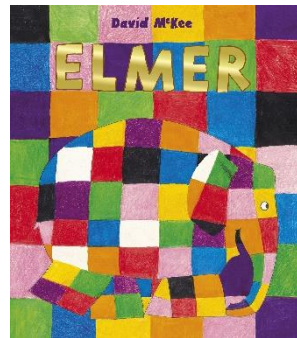

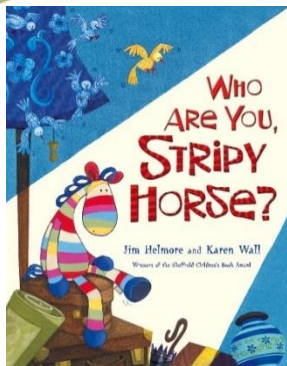

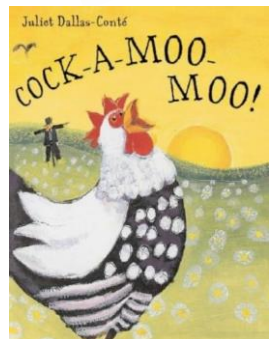

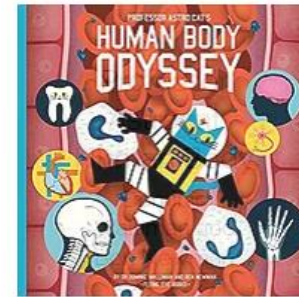

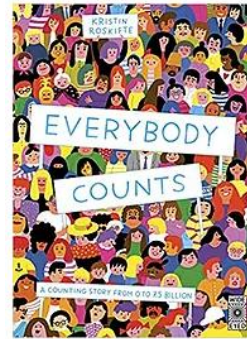

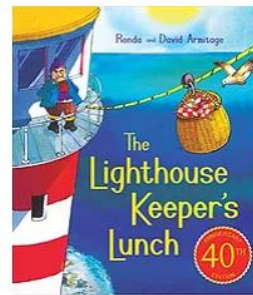

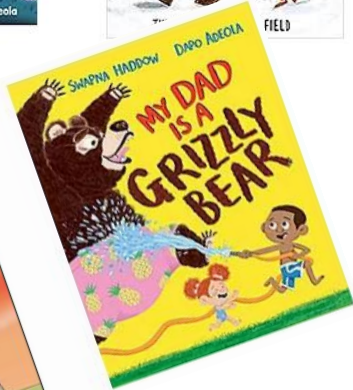

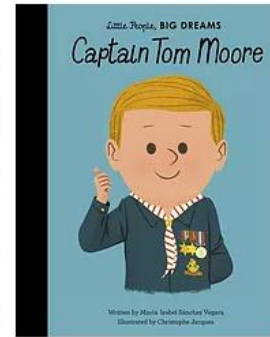

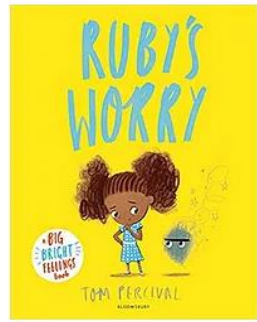

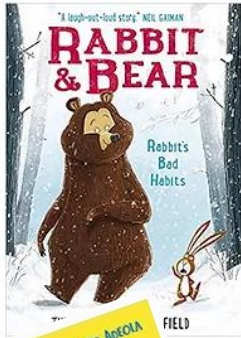

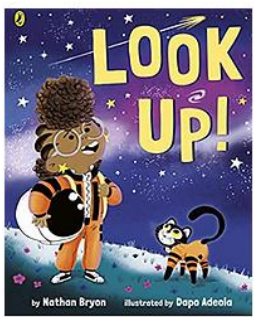

The books are read to the children during shared story time at the end of the day. They are also used to support the teaching of reading comprehension, alongside the novel study books.
